Bureau Veritas facilitates and secures exports to Algeria

Algeria – Certificate of Conformity / Certificate of Quality Control

Bureau Veritas verifies the Conformity of goods in accordance with the Algerian legal requirements.

The verification is based on the review of existing certificates and test reports, followed by inspection of goods and where necessary, Bureau Veritas then issues certificates of conformity for the exports to Algeria.

This certificate is required by the Note of the Bank of Algeria (Note N° 16/DGC/2009) for payment of Letters of credit and Cash against documents (CAD).

In line with the import regulations in Algeria, this certificate should also be provided with import files to facilitate clearance of the goods.

Bureau Veritas benefits from a worldwide network and is present in Algeria to provide you with fast and efficient service all exports to Algeria.
